

# 2010 Hendricks County Clean Water Indiana Cover Crop Cost Share Program

Hendricks County Soil & Water Conservation District is offering a cost-share program through a Clean Water Indiana Grant. Participation is available on land farmed within Hendricks County with a limit of 50 acres per participant. Priority will be given to those using cover crops for the first time and to those outside of the Big Walnut and Eagle Creek watersheds. The program is intended for winter cover crops only; pasturing is prohibited.

NRCS eFOTG Cover Crop 340 standard [http://efotg.sc.egov.usda.gov/references/public/IN/cover\\_crop.pdf](http://efotg.sc.egov.usda.gov/references/public/IN/cover_crop.pdf)

## Soil & Water Conservation District

- CWI funds will pay \$25/acre (up to 50 acres) in cost-share for winter cover crops listed in the Indiana NRCS FOTG.
- Upon receipt of bill copies and verification of planting, cost-share payment will be made no later than December 31, 2010.

## Participant

- The participant will purchase seed.
- Seeding must be completed by the latest date listed in the NRCS FOTG for that specific cover crop.
- Copies of seed bills must be submitted to the SWCD by November 1, 2010 to receive cost-share payments.
